Motivation

Money

The finance industry
pays well for
quantitative analysts,
known as “Quants”

Image by Pexels on Pixabay

Motivation

Math

Similar to math we
use in Statistical
Mechanics

Motivation

Physics: large
numbers of molecules
interacting

Finance: large
numbers of money
transactions

Motivation

More Data

We love figuring
out new stuff!

Physics Unsolved Problems

- Quantum gravity
- Dark matter
- Dark energy
- Collapse of the wave function
- Asymmetry of matter and antimatter
